

AI IN EDUCATION: QUICK REFERENCE GUIDE

"I want to use AI for my school assignment"

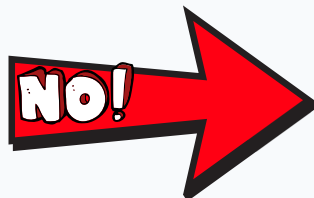

Does your school/class have a specific AI policy?"

READ THE POLICY FIRST → Follow the guidelines

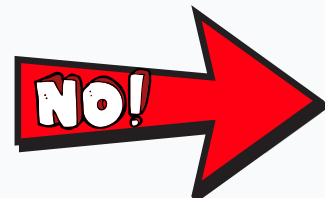

Will I learn something new from this process?"

✗ NO (I'm just copying) →
● STOP - DON'T DO IT

Will I tell my teacher I used AI?"

✗ NO →
● STOP - DON'T DO IT

✓ YES → ● GO AHEAD - USE AI RESPONSIBLY

● BAD USE:

- "Write my essay for me"
- "Solve all my math homework"
- "Create my entire project"
- "Generate my creative writing assignment"
- "Do my research and write the report"

● GOOD USE:

- "ChatGPT, explain photosynthesis to me"
- "Help me organize my essay ideas"
- "Check my grammar and spelling"
- "Explain this math concept differently"
- "Give me practice questions on this topic"

REMEMBER:

AI is a **LEARNING TOOL**, not a **REPLACEMENT** for learning

When in doubt, **ASK YOUR TEACHER** first!
